1. SCOPE OF THE AGREEMENT

1.1. Current Agreement (along with the other legal documentation and relevant Service descriptions) describes, settles and regulates the legal relations between Forex4you and Trader during the provision and usage of the Service.

1.2. The Service is developed by Forex4you in order to provide the possibility for the Trader to gain benefits from the Trading operations within Forex.

1.3. The Parties acknowledge the place of conclusion of the Agreement as the place of Forex4you incorporation.

2. DISCLAIMER

2.1. Forex4you will not be liable for any loss, whether such loss is direct, indirect, special or consequential, suffered by Trader as a result of use of the Service, its software or content. Any Trading operations performed by Trader are done at its own risk and it shall be solely responsible for any damage to any third parties if such occurs.

3. GENERAL PROVISIONS

3.1. This Agreement should be deemed as supplementary agreement to the Client Agreement concluded between the Trader and Forex4you.

3.2. If this Agreement is concluded between the Parties, the respective Account of the Trader shall not be Swap applicable, and Forex4you shall not apply to the Trader's respective Account the Swap in accordance with the provisions of the Agreement.

3.3. This Agreement shall be deemed as the

exemption from the regular legal relations between the Trader and Forex4you, and the Trader undertakes to act under the Agreement strictly in good faith for religious compliance and other equivalent reasons only (hereinafter referred as the "Purpose of the Agreement"/ "Purpose").

3.4. The Trader must not use the Agreement against its Purpose and must not use the Agreement to secure the Trading operations and guarantee income from them. The Trader must not use the benefits of the Agreement for execution of any strategies aiming at distortion of the normal flow of the Trading.

3.5. The Trader undertakes an obligation to immediately inform Forex4you and demand the termination of the Agreement if the actual status of the Trader is not compliant with the Purpose of the Agreement.

3.6. This Agreement is granted to the Trader at the sole discretion of Forex4you and may be revoked unilaterally by Forex4you at any time and with immediate effect in case of Trader's performance contrary to the Agreement or damage caused to Forex4you. In such case Forex4you shall not be liable to the Trader or any third party for its decision to terminate the Agreement.

3.7. The Trader acknowledges and agrees that in case of damage caused to Forex4you by the action contrary the Purpose of the Agreement, Forex4you shall have the right to obtain compensation from the Trader by debiting any of Trader's accounts held by Forex4you at the amount of the damage.

4. ADDITIONAL PROVISIONS

4.1. This Agreement with its all terms and conditions becomes effective on the moment when Trader within the Room chooses to register/ open respective trading Account in accordance with the Purpose of the Agreement described herein and respective Trader's Request.

4.2. Forex4you has the right to deny unilaterally such request without provision of the explanations of such denial to the Trader.

4.3. The Request should be grounded upon the truthful and adequate reasons under which the Trader wishes to obtain the Service.

4.4. This Agreement shall be terminated unilaterally by Forex4you if the Trader uses rights delegated to him by this Agreement contrary to the lawful interests of Forex4you and does not act in a good faith.

4.5. All the risks (including, but not limiting financial loss risk), related to the termination of the Agreement and removing the status (Swap- free) of the particular Trader's Account, are borne by the Trader.

4.6. As mentioned above, Forex4you has the right to calculate the Swap and apply that to the Trader if Forex4you terminates the Agreement.

4.7. The Parties acknowledge that the Forex4you has a right to introduce amendments to the provisions of the Agreement at any time having given the Trader notification. Such amendments shall come into force and become binding for the Trader from the date specified in the notification.

4.8. Forex4you may process the personal data of the Trader for marketing purposes.

4.9. Lost profit claims will not be accepted for Forex4you adjudication.

4.10. The Parties do not compensate each other for moral damage.

4.11. All disputes arising from the present Agreement shall be resolved at LCIA (London Court of International Arbitration), in accordance with current arbitration rules.
